Mission 2006 Cusco - Peru, June 19th to July 1st, 2006

Join the Rotary Club of Chula Vista for the another truly special Rotary outreach program in June of 2006! San Diego, California to Cusco, Peru, via Lima and with a side Trip to the Inca ruins at Machu Pichu with the option of following the Inca Trail.

This opportunity is open to anyone who is interested in helping the poor in Peru. Father John, St Rose of Lima and Carlos J Sanchez MD, both members of the Rotary Club Chula Vista will be leading this medical and humanitarian Mission. Dr Sanchez is a native of Peru and has organized missions for the past 30 years and has a unique understanding of the people and problems of this area. In 2005 we provided primary medical care, dentistry and ophthalmology to 2700 natives

We will be checking on our existing projects in Andahuaylillas and Huatata to make sure the two libraries and computer centers are put to the right use and we will again provide primary care medical assistance to the poor.

The trip will be made possible only through your participation.* The Chula Vista Rotary Club is arranging the tour package that will include airfare, hotel and travel accommodations, available side trips (Inca Trail) and some meals. The cost will be most likely within the $2,000 range plus whatever you like to donate. Please feel free to contact us with any questions you might have.

Johannes Lasthaus
